- farms / farming
- hotels & resorts
- commercial restaurants
- maritime shipping
- private yachts & boating
- industrial establishments
- military facilities
- premises liability (corporate / retail)
- credit fraud
- interstate shipping
- retail theft / fraud
- employee integrity / theft

Recognized by Pennsylvania State Police Fire Marshal for 32 years of service and investigative expertise

John has been recognized as a Certified Expert Witness and has testified in over 300+ court cases on the local, County, State and Federal court level.

The International Association of Fire Investigators has recognized John with the first "Fellow" designation in the State of Pennsylvania.

The National Fire Protection Association has recognized John as an "International Fire Marshal" since 1993.

Thirteen years investigative experience working with the FDNY Office of the Fire Marshal in all five boroughs.

Recognized as "Firefighter of the Year" with the UMFVD 1990 and recipient of numerous specialized fire fighting certifications, including "Responder of the Year". Awarded "Burpee Fire Service Award" for "Spirited Volunteerism". Received letters of special recognition from President George H. W. Bush as well as the Pennsylvania State Senate and the Congressional Fire Service Institute.

On scene numerous times and bestowed with the "Kuwait Humanitarian Award" in 1993 for involvement and contributions in the extinguishment of the 620 oil well fires, investigating numerous fire and explosion scenes and contributing to the rebuilding of the county infrastructure following the first Kuwait War.

2020 Recipient of the IAAI "Distinguished Service Award."

Recipient of the 2011 "Distinguished Service Award" by the PA State International Association of Arson Investigators for "talent, investigative expertise, dedication and commitment." Further recognized by first Director of Homeland Security, the Honorable Tom Ridge as well as PA Governor, State Senate and Fire Commissioner.

Presented both in 2012 and 2020 with the "Certificate of Recognition" by the International Association of Arson Investigators at the annual IAAI National Awards Dinner.

Appointed in 2015 to the NFPA National Fire Protection Association #1033 Technical Committee "Standard for Professional Qualifications for Fire Investigator" Enforcer Level.

Chief Kernan was awarded the 3rd annual prestigious "First Responder Award" in Manhattan NY on November 2016. This award was presented by the International Association of Fire Fighters and the Irish Echo news

publication and honors selected individuals who have served on the front line of Fire and Emergency Service Companies around the USA.

Received special recognition from the Fire Department New York, Office of the Chief Fire Marshal Louis Garcia, for quickly responding and volunteering as part of the "South Tower Search and Rescue Team" at the World Trade Center on September 11, 2001

Recognized by the Kuwait Fire Service Directorate and Major General Jassim Al- Mansouri February 14, 2016 for oversight and contributions made relative to the implementation of the Kuwait Training Academy for Fire Science - "your great contributions relative to the planning and layout of our facility. Your advise, sharing, efforts and expertise and vision made the academy a fact today. Your further efforts on fire investigation was an added value..."

Recent Training Summary

**Note – Below represents the most recent training that has taken place over the last three years. A multi-year summary is available that represents over 4,000 hours TESTED certified training leading to multiple state, national and international certifications over the past thirty-two years.*

RECERTIFICATION / “Certified Fire Investigator IAAI-CFI” International Association of Arson Investigators #29-072 expires 2027

RECERTIFICATION / “Certified Fire Investigator IAAI-CFI (V)” Motor Vehicle Fire Credential expires 3/2/27

“Practical Fire/Arson Scene Search and Evidence Recovery” 16 hours
TESTED – National Fire Arson Investigation Training Institute 5/18 & 19, 2022

Philadelphia ATF Arson & Explosives Task Force – “Fire Dynamics” June 16th and 17th Bensalem PA Training Facility

Topics:

Origin Determination & Pattern Persistence

Arc Mapping

Lithium Ion Battery Failure

Electrical Appliance Operation and Failure Modes

Fire Scene Photography

ATF Resources

Certified ALICE Instructor “Enhanced Certification” for Active Shooter Incidents expires 2024

“International Fire Code Inspection Essentials” International Code Council
8 hours TESTED 4/2022

“Fire Investigation Negative Habeas Methodology” National Association of Fire Investigators 4 hours TESTED 3/2022

ABOVE = Certification and Investigative Training 2022 to date

“Evidence Collection Technician”, International Association of Arson Investigators Certificate #302 recertification 110 hours Tested expires 10/15/2024

- “Certified Vehicle Fire Investigator”, National Association of Fire Investigators recertification expires 10/31/2022
- “Certified Fire Investigation Instructor”, National Association of Fire Investigators recertification expires 10/31/2022
- “Handling Fire and Explosion Scenes”, Institute of Strategic Education
4 hours Tested
- “Explosion Dynamics”, IAAI-CFI Trainer 4 hours Tested
- “Post Flashover Fires”, IAAI-CFI Trainer 4 hours Tested
- “Certified Fire Code Inspector”, International Code Council 36 hours Tested
- “Identifying Pre and Post Blast Components”, Department of Alcohol, Tobacco, Firearms and Explosives 2 hours Tested
